Portobello Town Hall**

**Introduction & Chair by :**

Rev. Peter Webster, Portobello  
High School Chaplain

**Featured Speaker:**

Land Rights activist.

This meeting has been organised by the Edinburgh East Labour Party. All local councillors and MSPs, from all parties, have been invited to facilitate table discussions, but this is not a political meeting. It's an opportunity for the community to map the way ahead.

**Conversations will be organised around tables to give everyone the chance to contribute. Participants will be encouraged to leave written & video statements. High school students and primary pupils especially welcome.**
