

Portobello Park – Open Space Consultation 2011

Background

A sum of £150,000 has been identified for open space improvements (out with Portobello Park), as compensation for the loss of Portobello Park when the new Portobello High School is built.

The Portobello and Craigmillar Neighbourhood Partnership has been tasked with determining what the most appropriate and beneficial use of this funding will be.

They would like to hear your views on how this money should be spent.
