

Dear Resident,

Rosefield Park – Improvement Plan

Recently we have been inviting local residents, including young people, to comment on proposed improvements for Rosefield Park.

We have had a good response to the Park Improvement Plan and would like to thank everyone who took the time to give us their opinions. The plan has now been updated and a copy has been attached for your information. In addition, the plan will be displayed in Rosefield Park and at Portobello Library.

The majority of people have been supportive of the improvement for Phases 1 and 2. However, there has been a mixed response to Phase 3 - the construction of a Multi Use Games Area (MUGA).

To help us to find out if there is community backing for this proposal, I would be grateful if you would complete the enclosed form indicating whether you or not you support this element of the project. Please return this by **Monday 19th December** to Portobello Library, 14 Rosefield Avenue, Edinburgh, EH15 1AU. (A returns box will be available in the library)

Your views will determine whether we continue to seek external funding to support the Multi Use Games Area.

If you would like some more information about the Park Improvement Plan or the Multi Use Games Area, please contact Community Parks Officer Scott Thomson on 0131 529 3481 (scott.thomson@edinburgh.gov.uk).

Yours faithfully,

James Hunter
Local Environment Manager
